Accountant's Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

Notes to Financial Statements Year Ended June 30, 2021

Note 1 - Principal activity and significant accounting policies

Organization

FAN4KIDS, Inc (The Organization) was incorporated as a not-for-profit corporation under in the State of New Jersey. The primary purpose of the organization is to educate kids of all shapes and sizes about healthy eating and active lifestyles and empower them to make healthy decisions about fitness and nutrition. We help prevent the problems of poor eating and inactivity by instilling "Lessons That Last A Lifetime". Significant sources of revenue are obtained from governmental grants, program fees and contributions.

Cash and cash equivalents

The Organization consider all cash and highly liquid financial instruments with original maturities of three months or less, which are neither held for nor restricted by donors for long-term purposes, to be cash and cash equivalents. Cash and highly liquid financial instruments restricted to building projects, endowments that are perpetual in nature, or other long-term purposes are excluded from this definition.

Accounts receivable

Accounts receivable consist primarily of noninterest-bearing amounts due for grants and other program services. The Organization determines the allowance for uncollectable accounts receivable based on historical experience, an assessment of economic conditions, and a review of subsequent collections. Accounts receivable are written off when deemed uncollectable. At June 30, 2021, management has determined that no allowance for doubtful accounts is necessary.

Net assets

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

Net Assets With Donor Restrictions – Net assets subject to donor imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. The Organization has no net assets with donor restrictions as of June 30, 2021.

Notes to Financial Statements Year Ended June 30, 2021

Revenue and revenue recognition

Revenue is recognized when earned. Program service fees and payments under cost-reimbursable contracts received in advance are deferred to the applicable period in which the related services are performed or expenditures are incurred, respectively. Contributions are recognized when cash, securities or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give are not recognized until the conditions on which they depend have been substantially met.

Donated services and in-kind contributions

Contributed goods, professional services and use of facilities are recorded at fair value at the date of donation. The Organization records donated professional services at the respective fair values of the services received.

Functional allocation of expenses

The costs of program and supporting services activities have been summarized on a functional basis in the statements of activities. The statements of functional expenses present the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Income taxes

FAN4KIDS, Inc is organized as a New Jersey nonprofit corporation and has been recognized by the IRS as exempt from federal income taxes under IRC Section 501(c) as an organization described in IRC Section 501(c)(3), qualifies for the charitable contribution deduction under IRC Sections 170(b)(1)(A)(vi) and has been determined not to be private foundations under IRC Sections 509(a)(1). The Organization is annually required to file a Return of Organization Exempt from Income Tax (Form 990) with the IRS. In addition, the Organization is subject to income tax on net income that is derived from business activities that is unrelated to its exempt purpose. The Organization is not subject to unrelated business income tax and has not filed an Exempt Organization Business Income Tax Return (Form 990-T) with the IRS. The Organization believes that the Organization has appropriate support for any tax positions taken, and as such, do not have any uncertain tax positions that are material to the financial statements.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires us to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates, and those differences could be material.

Financial instruments and credit risk

The Organization manages deposit concentration risk by placing cash, money market accounts, and certificates of deposit with financial institutions believed by us to be creditworthy. At times, amounts on

Notes to Financial Statements Year Ended June 30, 2021

deposit may exceed insured limits or include uninsured investments in money market mutual funds. To date, The Organization has not experienced losses in any of these accounts. Credit risk associated with accounts receivable and promises to give is considered to be limited due to high historical collection rates and because substantial portions of the outstanding amounts are due from Board members, governmental agencies, and foundations supportive of our mission.

Compensated absences

Compensated absences for sick pay and personal time have not been accrued since they cannot be reasonably estimated. Our policy is to recognize these costs when actually paid.

Subsequent events

The Organization has evaluated subsequent events through May 26, 2022, the date the financial statements were available to be issued.

Note 2 - Liquidity and availability

The Organization regularly monitors the availability of resources required to meet our operating needs and other contractual commitments.

Note 6 - Officer's advance

Note 7 - Functionalized expenses

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include occupancy, depreciation, and amortization, which are allocated on a square footage basis, as well as salaries and wages, benefits, payroll taxes, professional services, office expenses, information technology, interest, insurance, and other, which are allocated on the basis of estimates of time and effort.

Accountant's Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

Notes to Financial Statements Year Ended June 30, 2021

Note 1 - Principal activity and significant accounting policies

Organization

FAN4KIDS, Inc (The Organization) was incorporated as a not-for-profit corporation under in the State of New Jersey. The primary purpose of the organization is to educate kids of all shapes and sizes about healthy eating and active lifestyles and empower them to make healthy decisions about fitness and nutrition. We help prevent the problems of poor eating and inactivity by instilling "Lessons That Last A Lifetime". Significant sources of revenue are obtained from governmental grants, program fees and contributions.

Cash and cash equivalents

The Organization consider all cash and highly liquid financial instruments with original maturities of three months or less, which are neither held for nor restricted by donors for long-term purposes, to be cash and cash equivalents. Cash and highly liquid financial instruments restricted to building projects, endowments that are perpetual in nature, or other long-term purposes are excluded from this definition.

Accounts receivable

Accounts receivable consist primarily of noninterest-bearing amounts due for grants and other program services. The Organization determines the allowance for uncollectable accounts receivable based on historical experience, an assessment of economic conditions, and a review of subsequent collections. Accounts receivable are written off when deemed uncollectable. At June 30, 2021, management has determined that no allowance for doubtful accounts is necessary.

Net assets

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

Net Assets With Donor Restrictions – Net assets subject to donor imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. The Organization has no net assets with donor restrictions as of June 30, 2021.

Notes to Financial Statements Year Ended June 30, 2021

Revenue and revenue recognition

Revenue is recognized when earned. Program service fees and payments under cost-reimbursable contracts received in advance are deferred to the applicable period in which the related services are performed or expenditures are incurred, respectively. Contributions are recognized when cash, securities or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give are not recognized until the conditions on which they depend have been substantially met.

Donated services and in-kind contributions

Contributed goods, professional services and use of facilities are recorded at fair value at the date of donation. The Organization records donated professional services at the respective fair values of the services received.

Functional allocation of expenses

The costs of program and supporting services activities have been summarized on a functional basis in the statements of activities. The statements of functional expenses present the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Income taxes

FAN4KIDS, Inc is organized as a New Jersey nonprofit corporation and has been recognized by the IRS as exempt from federal income taxes under IRC Section 501(c) as an organization described in IRC Section 501(c)(3), qualifies for the charitable contribution deduction under IRC Sections 170(b)(1)(A)(vi) and has been determined not to be private foundations under IRC Sections 509(a)(1). The Organization is annually required to file a Return of Organization Exempt from Income Tax (Form 990) with the IRS. In addition, the Organization is subject to income tax on net income that is derived from business activities that is unrelated to its exempt purpose. The Organization is not subject to unrelated business income tax and has not filed an Exempt Organization Business Income Tax Return (Form 990-T) with the IRS. The Organization believes that the Organization has appropriate support for any tax positions taken, and as such, do not have any uncertain tax positions that are material to the financial statements.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires us to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates, and those differences could be material.

Financial instruments and credit risk

The Organization manages deposit concentration risk by placing cash, money market accounts, and certificates of deposit with financial institutions believed by us to be creditworthy. At times, amounts on

Notes to Financial Statements Year Ended June 30, 2021

deposit may exceed insured limits or include uninsured investments in money market mutual funds. To date, The Organization has not experienced losses in any of these accounts. Credit risk associated with accounts receivable and promises to give is considered to be limited due to high historical collection rates and because substantial portions of the outstanding amounts are due from Board members, governmental agencies, and foundations supportive of our mission.

Compensated absences

Compensated absences for sick pay and personal time have not been accrued since they cannot be reasonably estimated. Our policy is to recognize these costs when actually paid.

Subsequent events

The Organization has evaluated subsequent events through May 26, 2022, the date the financial statements were available to be issued.

Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include occupancy, depreciation, and amortization, which are allocated on a square footage basis, as well as salaries and wages, benefits, payroll taxes, professional services, office expenses, information technology, interest, insurance, and other, which are allocated on the basis of estimates of time and effort.
